Our Programs

We offer a range of programs that are designed to meet the needs of our students, including:

- After-school tutoring and homework help
- Summer enrichment programs
- College and career readiness workshops
- Mentorship program

Our programs are designed to provide students with the academic support, social and emotional development, and guidance they need to succeed in school and beyond. We believe that by investing in our youth, we are investing in the future of our community.

Our Impact

Since our founding in 2010, we have served over 1,000 students in the Philadelphia area. Our students have shown significant improvements in their academic achievement, self-confidence, and social skills. Many of our students have gone on to attend college and pursue successful careers.

We are proud of the impact that we have had on our students and our community. We are committed to continuing to provide our students with the opportunities and support they need to succeed.
