

Chronology of International Organizations: A Political Chronology of the World

1648

- The Peace of Westphalia ends the Thirty Years' War and establishes the principle of state sovereignty. This principle becomes the foundation of the modern international system.

1815

- The Congress of Vienna establishes the Concert of Europe, an alliance of major European powers that aims to maintain peace and stability on the continent. This is the first example of a modern international organization.

1863
