Materials

To begin your amigurumi journey, you will need to gather the following materials:

- **Yarn:** Choose a high-quality cotton or cotton-blend yarn in a variety of colors to create your kimono dolls. For the skin tone, we recommend using a light beige or cream color.
- **Crochet hook:** Select a crochet hook size that is appropriate for the weight of yarn you are using. Typically, a 2.5mm or 3.0mm hook is suitable for most amigurumi projects.
- **Embroidery floss:** This will be used for detailing the facial features, hair, and kimono patterns.
- **Stuffing material:** Polyfill or cotton balls can be used to stuff your amigurumi dolls.
- **Scissors**
- **Yarn needle**
- **Optional:** Stitch markers, a tapestry needle, and beads or buttons for embellishments

Basic Stitches

Before we delve into the patterns, let's review the basic crochet stitches you will need to master:

- **Single crochet (sc):** The foundation of amigurumi, this stitch creates a tight, dense fabric.
- **Double crochet (dc):** A taller stitch that adds height and volume to your creations.
- **Increase (inc):** Used to create curves and shaping, this stitch adds an extra stitch into the row.
- **Decrease (dec):** The opposite of an increase, this stitch decreases the number of stitches in a row, creating angles and shaping.
- **Slip stitch (sl st):** A versatile stitch used for joining pieces, securing yarn ends, and creating invisible seams.
