### Origins and Characterization

Sam Hill first emerged onto the literary scene in the pages of "The High Window" as a taciturn, hard-drinking private investigator hired by a wealthy widow to investigate the disappearance of her niece. Despite his

Chandler's portrayal of Hill draws heavily on the archetypal hard-boiled detective: a cynical loner with a troubled past, operating on the fringes of society. However, Hill distinguishes himself with several unique traits that set him apart from his contemporaries.
