Wollstone Meghan Davis is a highly accomplished leader, entrepreneur, and advocate for women in business and technology. She is the founder and CEO of Wollstone & Co., a boutique consulting firm that provides strategic advisory services to technology companies. She is also the co-founder and CEO of the Women's Technology Forum, a global organization that supports women in the technology industry.

Davis is a sought-after speaker and author on topics related to women in business, leadership, and entrepreneurship. She has been featured in numerous publications, including Forbes, The Wall Street Journal, and Fortune. She is also a regular contributor to The Huffington Post and The Harvard Business Review.

Early Life and Education

Davis was born and raised in New York City. She attended Harvard University, where she earned a bachelor's degree in economics. After graduating from Harvard, she worked as a management consultant at McKinsey & Company.

In 2006, Davis founded Wollstone & Co. The firm provides strategic advisory services to technology companies, helping them to develop and execute their growth strategies. Wollstone & Co. has worked with a wide range of clients, including Google, Amazon, and Microsoft.

Women's Technology Forum

In 2010, Davis co-founded the Women's Technology Forum (WTF). WTF is a global organization that supports women in the technology industry. WTF provides a variety of programs and services to its members, including mentorship, networking, and leadership development.

WTF has become a leading voice for women in technology. The organization has been featured in numerous publications, including The New York Times, The Wall Street Journal, and Bloomberg Businessweek. WTF has also been recognized for its work by the White House and the United Nations.

Leadership and Advocacy

Davis is a passionate advocate for women in business and technology. She believes that women have the power to make a significant contribution to the global economy. She is committed to creating a more inclusive and equitable world for women.

Davis is a member of the board of directors of several organizations, including the National Center for Women & Information Technology and the Anita Borg Institute. She is also a member of the Council on Foreign Relations.

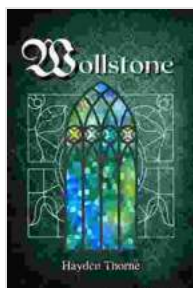

Davis has been recognized for her leadership and advocacy work by numerous organizations. She has been named one of the "100 Most Influential Women in Business" by Forbes and one of the "Top 100 Women in Tech" by Fortune.

Wollstone Meghan Davis is a true pioneer in the business and technology world. She is a successful entrepreneur, a passionate advocate for women, and an inspiring leader. She is a role model for women and girls around the world.
